HAND CLEANING PASTE

Hand Cleaner with natural micro granules

Wynn's Hand Cleaning Paste is a natural hand cleaner formulated with biodegradable components that does not contain petroleum solvent. It contains natural micro granules for a perfect and fast cleaning without the need to use water. Cleans the hands with d-Limonene, a solvent that is extracted from oranges. It has a citrus scent and contains propylene glycol and glycerin to condition the skin.

Properties

- ✓ Removes grease, lubricants, adhesives, bitumen tar oils, paints, etc.
- ✓ No water needed.
- ✓ Contains tensio-active agents.
- ✓ Does not generate blockages in drains.
- ✓ Contains propylene glycol and glycerin to keep hands soft.
- ✓ Pleasant citrus scent.
- ✓ Leaves hands soft, not sticky.
- ✓ Has the special cleaning feature without the use of petroleum solvents. It contains extra-fine pumice that thoroughly cleans the skin, but more gently than other hand cleaners of this type.

Technical data

Appearance : grey viscous lotion
 Scent : orange, citrus
 Density : 1,01 g/ml
 pH : 7

Note: These data represent average values after different tests. Wynn's reserves the right to modify or update this record without prior notice.

Directions

- ✓ Spread the product on the dirty hands and rub with Wynn's Hand Cleaning Paste (do not use water) until the dirt or grease dissolves.
- ✓ After cleaning, wipe off any excess product/dirt from the hands with a dry cloth or rinse with water.
