DASH CLEAN & PROTECT

WYNN'S DASH CLEAN & PROTECT is a new way to clean and renew your dashboard. The product has been specially formulated for use on modern vehicles. The product cleans, restores and protects dashboards, touchscreens and interior trim.

Properties

- ✓ Cleans, restores and protects dashboards and interior trim.
- ✓ The active foam formula allows for precision application, avoiding overspray and contamination of windscreen.
- ✓ Its Anti-Static & UV protection properties fight against the build-up of dust whilst preventing the discolouration and cracking of dashboards.
- ✓ Fresh, pleasant, citrus fragrance.
- ✓ Semi-Gloss finish.

Applications

- ✓ Effective on plastic, leather, vinyl, rubber and wood.

Directions

Cleaning the dashboard and non-delicate plastic parts:

- ✓ Clean the dashboard or plastic surface by applying the product carefully on the surface or preferably on a cloth.
- ✓ Spread the product on the surface.
- ✓ Clean the surface gently, until complete drying.
- ✓ Repeat the process in worn areas and if persistent dirt is observed after the first cleaning.

Precautions

Always test first by applying a little product in a small restricted area to ensure the compatibility of the cleaner with the surface to be cleaned.

Do not store at temperatures above 50 ° C, protect from sunlight or do not use near heat sources.
