UNIVERSAL DEGREASER

WYNN'S UNIVERSAL DEGREASER is a heavy-duty formulation designed to remove, oil, grease, tar and waxes from motorcycle chains, engines, component parts, machinery, bodywork, tyres, rims, tools, etc.

Properties

- ✓ Water-based formula with the exclusive NON-DRIP effect, designed to remove grease from all type of surfaces.
- ✓ Water soluble for an easier and safer cleaning.
- ✓ NON-DRIP feature allows a precise application, a much higher contact time between the product and the surface area to clean, either vertical or horizontal, and consequently, an optimal, faster and easier removal of any type of dirt.
- ✓ Easy to apply and remove after softening or dissolving the stuck dirt.

Applications

- ✓ Universal degreaser, applicable to most of the surfaces found in vehicles.
- ✓ Do not apply to hot surfaces or areas which could be damaged by solvents.

Directions

- ✓ Spray the product (from an adequate distance, at least 20-30cm) on to the surface and let the product work for 2-3 minutes.
- ✓ Rinse gently with water or with the help of an adequate brush or cloth if considered opportune.
- ✓ Repeat if necessary.
- ✓ For a precise application, spray directly on to the cloth and apply to the surface to be treated.
